INSTRUCTIONS - READ CAREFULLY

NOTICE:

Your complaint is subject to dismissal unless it conforms to these instructions and this form.

1. To start an action you must file an original and one copy of your complaint with the court. You should keep a copy of the complaint for your own records.
2. Your complaint must be legibly handwritten, in ink, or typewritten. You, the plaintiff, must sign and declare under penalty of perjury that the facts are correct. If you need additional space, **DO NOT USE THE REVERSE SIDE OR BACK SIDE OF ANY PAGE.** ATTACH AN ADDITIONAL BLANK PAGE AND WRITE ON IT.
3. You must file a separate complaint for each claim you have unless the various claims are all related to the same incident or issue or are all against the same defendant, Rule 18, Federal Rules of Civil Procedure. Make a short and plain statement of your claim, Rule 8, Federal Rules of Civil Procedure.
4. When these forms are completed, mail the original and one copy to the clerk of the United States district court for the appropriate district of Texas in the division where one or more named defendants are located, or where the incident giving rise to your claim for relief occurred. If you are confined in the Texas Department of Criminal Justice, Correctional Institutions Division (TDCJ-CID), the list labeled as "VENUE LIST" is posted in your unit law library. It is a list of the Texas prison units indicating the appropriate district court, the division and an address list of the divisional clerks.

FILING FEE AND *IN FORMA PAUPERIS* (IFP)

1. In order for your complaint to be filed, it must be accompanied by the statutory filing fee of \$350.00 plus an administrative fee of \$52.00 for a total fee of \$402.00.
2. If you do not have the necessary funds to pay the fee in full at this time, you may request permission to proceed *in forma pauperis*. In this event you must complete the application to proceed *in forma pauperis*, setting forth information to establish your inability to prepay the fees and costs or give security therefor. You must also include a current six-month history of your inmate trust account. If you are an inmate in TDCJ-CID, you can acquire the application to proceed *in forma pauperis* and the certificate of inmate trust account, also known as *in forma pauperis* data sheet, from the law library at your prison unit.
3. The Prison Litigation Reform Act of 1995 (PLRA) provides "... if a prisoner brings a civil action or files an appeal *in forma pauperis*, the prisoner shall be required to pay the full amount of a filing fee." See 28 U.S.C. § 1915. Thus, the court is required to assess and, when funds exist, collect, the entire filing fee or an initial partial filing fee and monthly installments until the entire amount of the filing fee has been paid by the prisoner. If you submit the application to proceed *in forma pauperis*, the court will apply 28 U.S.C. § 1915 and, if appropriate, assess and collect the entire filing fee or an initial partial filing fee, then monthly installments from your inmate trust account, until the entire \$350.00 statutory filing fee has been paid. (The \$52.00 administrative fee does not apply to cases proceeding *in forma pauperis*.)
4. If you intend to seek *in forma pauperis* status, do not send your complaint without an application to proceed *in forma pauperis* and the certificate of inmate trust account. Complete all essential paperwork before submitting it to the court.

CHANGE OF ADDRESS

It is your responsibility to inform the court of any change of address and its effective date. Such notice should be marked "NOTICE TO THE COURT OF CHANGE OF ADDRESS" and shall not include any motion for any other relief. Failure to file a NOTICE TO THE COURT OF CHANGE OF ADDRESS may result in the dismissal of your complaint pursuant to Rule 41(b), Federal Rules of Civil Procedure.

later on that night I was the last one using the phone around 10:30 or 10:35. When I got off the phone the other inmates was telling Inmate Phillip Young #0871102 "You shouldn't do that" but I didn't know exactly what they was talking about. I walked over to the table behind the table I was just sitting at a few minutes prior, to cut me a piece of cake that I had asked an Inmate to make for me with commissary items. That's when the other inmates told me that Inmate Phillip Young #0871102 said he was going to kite out after breakfast trays which means (leave by telling the jailers he fear for his safety) and that he said he's not going to pay me back. So I said to Phillip Young #0871102 "you don't have to kite out, we don't have any problems, you don't even have to pay me back in commissary you can just give me a chicken patty." he said to me "fuck you I'm not paying you shit, I'm kiting out like I said!" So I start pointing at all the other inmates and said "I'm real cool peoples, I'm not going to argue with you, ask everybody here I looked out for everyone including you and still will so it's pointless to kite out!" "you just got here bro, we all get along so just chill". he was sitting on the edge of his bunk on the far right hand corner by the windows mumbling stuff and talking trash under his breath. I was ignoring him and taking off my jumper because I was hot and it was lights out. Instead of making matters worse or feed in, I start walking back and forth thinking what to say. So I said "listen", I walked over to him while he was on the edge of his bunk sitting &

I Squatted Next to him and Spoke again "You know what old School I ain't trippin' you can talk trash to me but I'm going to respect you, All this is stupid, I gave you what you wanted you can just give me a chicken patty... well Nevermind It's good I don't even care nmore". but before I could even finish my Sentence Inmate Phillip Young #0871102 Punched me super, very hard in the face then boom I hit the ground. Inmate Phillip Young #0871102 rushed over to the Inercam/emergency button and pressed it. the Jailers answered and said "what's up, it better be a emergency". Inmate phillip said "I Just assaulted a Inmate, come get me I fear for my Safety". at that particular time my head was in so much Pain, I couldn't really believe what had happened. I got up and he start telling me "come on let's get it" but I said "old School You got it bro Just leave it alone, You got it". I was in tremendous Pain so I walked over to my bunk, I think I layed down or Just sat there waiting on the Jailers. finally they came in, asked him who did he assault. Every body Including Phillip Young #0871102 him self said he assaulted me. then he said "I ain't tellin' yall Shit else get me out of here". at that point I was waiting for them to come talk to me and go through the procedure of asking me do I want to press charges and what all happened and why but instead they didn't. they Just left. About 5 or 10 minutes later, they Brought Inmate Phillip Young #0871102 back to the Pod Which Put me in much fear of my life.

They were Now breaking POLICY. I Couldn't believe that they had Just brought back the Inmate whom Just Assaulted me and Admitted to it and on top of that they didn't try to help me. I Even told the Jailers "Yall are making a mistake, I need Medical attention I was Assaulted." but I was Ignored and left alone Again. Inmate Phillip Young #0871102 Started talking trash Saying "either we can get it right here or Behind the Camera, Ya Choose". I told him "look man I'm good, I Don't want No trouble but he kept talking trash, he even took his shirt off walking toward the restroom/shower area intimidating me. I was so scared I even remember shaking his hand telling him "You hit hard, I don't want trouble." I know it's all on camera too. but anyways he said "Youngster I Apologize for Assaulting You but we have to get a fair one on one fight". "so I could feel better and sleep comfortable". So I gave in and said "okay after this please leave it alone". We went behind the camera then I told the other Inmates "please come watch to make sure it's a fair fight and nobody gets hurt". and so they did. Phillip Young #0871102 Swung, then I hit him dropping him then I helped him up. We all went back to the day room area back on camera. We shook hands and I gave him a piece of cake. He start saying he think his Jaw is broke. he said that he was going to wait til morning so that he could lie to the Jailers and say it

he slipped and fell coming out the shower but I guess he was in so much pain he told them minutes after he told us that ^{he} he slipped and fell. Minutes later After they took him. they the Jailors came rushing in asking for me and Mr Vernon Miller, asking us to take pictures and did we jump inmate Phillip Young #0871102. I told the Jailors Donald Oakes and Mercer that I was assaulted first and no we did not jump inmate Phillip Young #0871102. I also told them I want to press charges and I need medical attention but they just put me back in the pod. The next morning March 7th I was Assigned to "Lon Evans" at 7:28 am but didn't arrive at that time. a little later. I've been in Lon Evans for 17 months all because of this incident. I've wrote grievances, I've contacted other Agencies. I have no help. I didn't know how to Appeal grievances at first, now I do. At first the Jail said I'm in lock up for Mhmr which I have been dealing with since I was 7. So I asked Mhmr they said it's a lie and that the Jail are using them to keep me back here. I can not go to Commissary, You have to believe me I can not use the phone and I can not talk to my lawyer. I have no access to freedom. I have proof that the Jailors gave me. Please help me. I was put in a life threatening situation. I was in fear. they messed up not me. X

Addendum for CLAIM ORIGINAL

I was on the phone with my father January 25th when he got murdered. While in Lon Evans in October 2022, they charged me with my father's murder. They said they believe I sent a hit on my own father. They even harass my little sister who stayed with my father and is saying they think she had something to do with it allegedly. It's all crazy. They have no evidence of any such stupid thing. I have no understanding even my lawyer months ago told me he don't understand why I'm being charged with my own father's murder and I was in jail. Please help me. All of a sudden almost a year later they charge me with a murder case then hold me back here more. This is a very big civil matter. I hope you understand. Under Law, I have not been convicted or been punished with due process and neither have they followed due process or have any justifications. Which add up to cruel and unusual punishment false imprisonment. Also Kyle Longo, Brayden Mercer failed to protect me and ignored my cries. It's all on camera. Bill Waybourn is responsible. and Donald Stokes. Please check the cameras I would never lie, my word is all I got. When the prosecutor used this Phillip Young #0871107 Incident against me, she would never I mean never show the footage, she just said "you are in Lon Evans for jumping inmate Phillip Young right?" I said "No" she said "Yes you are". She lied. "Check the cameras" is all I could say. Also they are trying to exclude my
